

Job Title:

Clinical Psychologist: Department of Behavioral Health (04 to 05 Billet)

Job Description:

The selected candidate will provide direct patient care to beneficiaries, which may include active duty, family members and retirees.

Duties include Medical Evaluation Boards, Sanity Boards, Psychotherapy, Psychological Testing, Hospital Discharge Evaluations, Chapter Separations, and Group Counseling.

Approximately 50% of work time will be spent completing psychological testing.

USPHS officers assigned to Army MTF's would be expected to participate in the after-hours call schedule. In all cases, specific duties would be based on the needs of the local clinic. While USPHS officers assigned to an Army MTF should not necessarily anticipate filling a leadership position, such roles are not necessarily precluded.

Requirements:

License: A current, unrestricted and valid license as a clinical psychologist from a U.S. State, District of Columbia, Commonwealth, Territory, or other jurisdiction is required.

Training: The Candidate must possess a qualifying doctoral degree in clinical psychology from an American Psychological Association accredited university or professional psychology program. An APA accredited internship is also required.

This position is for a minimum 3 year commitment.

Location of Position:

Fort Lee, VA

Approximately 2 hours south of Washington, DC
